This is a decision on the Petition to Revive Patent Application Unavoidably Abandoned Under 37 CFR 1.137(a), filed April 8, 2005. The petition is properly treated under 37 CFR 1.181.

The petition is granted.

The above-identified application became abandoned for failure to timely and properly reply to the Office action, mailed July 1, 2004. The Office action set a three (3) month period for reply. Extensions of time were available under 37 CFR 1.136(a). No reply having been received, the application became abandoned on October 2. A Notice of Abandonment was mailed on February 9, 2005.

Applicant's Assertion

Applicant responds with the instant petition wherein Applicant avers that the Office action, mailed July 1, 2004, was never received. Applicant further asserts that the Office action was incorrectly mailed to an incorrect correspondence address.

A review of Office records reveal that Applicant is correct. This Office inadvertently changed the correspondence address in the above-identified application and mailed to Office action to an incorrect correspondence address.

Office records have been corrected to reflect the correct attorney of record and correspondence address.

In view of the foregoing, the petition is granted. The holding of abandonment is hereby withdrawn.

No fee has been charged and none is due.

The application will be referred to Technology Center Art Unit 3422 for remailing of the Office action. A copy of the July 1, 2004 Office action is also enclosed herewith.
